

## EDUARDO PEDREIRA

President, Surface Sciences  
Chief Procurement Officer

Eduardo Pedreira serves as President, Lubrizol Surface Sciences. He also serves as Lubrizol's Chief Procurement Officer.

In his role as President, Lubrizol Surface Sciences, Eduardo oversees the company's Beauty, Home Care, Pharma, Nutra, Performance Coatings and Agro Chemical businesses. These businesses bring outstanding leadership in surface chemistry, understanding the interface between chemical and physical phenomena, whether that science is at work in beauty products for skin or paints and coatings that adhere to surfaces in homes and buildings.

In his role as Chief Procurement Officer, he is responsible for optimizing investments and procurement partnerships, including third-party manufacturing, across the organization.

Prior to these positions, Eduardo served as Lubrizol's Vice President, Latin America, and as Lubrizol's Vice President, Global Supply Chain.

Eduardo brings more than 20 years of leadership experience in global organizations, including a depth of international experience at PPG Industries, in strategy, operations, supply chain, procurement, capital investment, and business roles.

Born and raised in Brazil, Eduardo received his Bachelor of Chemical Engineering degree from Pontifícia Universidade Católica do Rio Grande do Sul and his Master of Business Administration in Industrial Management from Fundação Getulio Vargas.

Imagined for Life. Enabled by Science.™
